Columbia Basin Culture Tour

Welcome to the eighth annual Columbia Basin Culture Tour.

On August 13 & 14 from 10 am to 5 pm, this year's culture tour features 86 locations. Explore one of the many new venues or see what new works your favourites are featuring.

Self-directed and free of charge, the culture tour is a great opportunity to meet people behind the scenes at galleries and museums, visit studios not normally open, shop for original art or fine crafts and experience special events planned only for this weekend. Plan a road trip or explore your own community.

For further details, check out full artist/venue profiles at www.cbculturetour.com. Profiles further describe the event activities at each location, and include their business hours outside of the event so you can plan another visit. We invite you to use the directory to help you connect with the arts and heritage community here in the Basin year-round.

See you on the tour!
